STAR Program

The STAR Exemption Program HAS NOT BEEN ELIMINATED!

If you received an original STAR or a Sr Enhanced Star Renewal Application in the mail, it must be returned to your Town Assessor's office by March 1, 2010.

The New York Legislature eliminated the Star Rebate Program

The Star Rebate Program was terminated in 2009 eliminating rebate checks for the STAR exemption. The Star Exemption program is available to all residing residential property owners and you only need to apply once (unless you move), or until you reach age 65. The Sr Star Program is available to all property owners that qualify, and is an annual renewal.

Thank You,

Onondaga County Assessor Association
